## MEMORANDUM FOR THE RECORD

		Morning Meeting of 10 September 1965	
		Morning Mooting of to beptember 1705	
25X1		of OCI briefed on Chinese Communist military capabilities in the India-Pakistan area.	,
25X1		DDI reported results of inquiry indicating that no more about than we do.	25X1
		DDI noted completion of the latest bi-weekly memo compiling and assessing various Communist statements about Vietnam.	
	·	DDI referred to dissemination of a recent ORR report on the increasing amount of precision machine tools being imported from the West by the ChiComs.	
		DDI cited various graphics in the latest monthly report on Vietnam. He said he is writing to Ambassador Unger suggesting that some of our Vietnam reporting be combined. At present, Dailies, Weeklies, and Monthlies are being issued.	
	1	R. Jack Smith displayed pictures and other information concerning the SA-3 in the light of indications that the SA-3 may have been emplaced in NVN. (See Action 1)	
25X1		Kent noted that the editorial board of the Studies in Intelligence will get together in this weekend.	
	· · · · · · · · · · · · · · · · · · ·	DDS reported that a survey will be made of current and future space requirements within the Agency. This will lead to eventual recommendations for DCI's consideration.	
	8	deSilva noted that Henry Kissinger will be here Monday. The DCI agreed to meet with Kissinger then. (See Action 4)	٠.
		The IG reported that a survey of the WE Division will begin next week.  Upon completion, all CIA Stations and Bases will have been inspected in the	• -

past three years except for those in

- 2 -

Houston reported that Senator Dodd was pleased to see the Hoover letter to DCI about the Consular Convention. It will be shown next to Senator Fulbright and arrangements are proceeding for DCI to meet with Senators Lausche, Hickenlooper, and Russell. Senator Dodd also recommends that DCI see Senator Mundt.	25X1
DDS&T reported on the current schedules for the forthcoming CORONA launches. He reported himself as "cautiously optimistic" following talks yesterday with DNRO Flax. Flax appears to be in	
favor of	25X1
· .	25X1

## ACTIONS

25X1

25X1

25X1

- 1. DCI directed preparation of a memo on the operational characteristics of the SA-3. He wants to see the memo and wants dissemination in such a way as to assure that military planners have the information available to them. (DDI, in consultation with DDS&T as appropriate -- 15 September)
- 2. DCI asked for preparation of a special memo on the situation and in the light of certain differences of view within the 303 Committee. The memo is to be prepared over the weekend by the Agency and is to be submitted for interAgency concurrences, possibly for eventual issuance as a SNIE. (DDI, in consultation with DDP -- 13 September)
- 3. The DCI's meeting with Goldberg has been postponed to 10:00 a.m. on 18 September. DDI is to give Goldberg a briefing on the world situation. DDP is to brief on the Clandestine Services. (DDI and DDP)

- 3 -

4. Henry Kissinger and George Lodge are to be invited to attend	
forthcoming meetings between Agency officials and and com-	25X1
pany to ensure that they are kept abreast of Southeast Asian development	
planning. DDI is to continue to press to set a date for the next meeting. (DDI 16 September)	
5. Following deSilva's meeting with the team members	25X1
tomorrow, consideration is to be given to seeking outside professional help	
from industry to further the program. DCI is to be advised	
as to which industries we may wish to approach. (DDP - 11 September)	
· · · · · · · · · · · · · · · · · · ·	25X1
	25/(1
7. DCI directed that the DDPIs analysis of the recent Karney and	

25X1

- 7. DCI directed that the DDP's analysis of the recent Karnow press article about CIA operations in Southeast Asia be shown to Darden and Michaels on the Hill. (OGC -- in the course of the day.)
- 8. Noting Presidential instructions to Heads of Agencies that either they or their deputies must be in Washington at all times, the DCI has directed that this same instruction will hold true for Deputy Directors and Heads of Independent Offices within the Agency.
